Jim Brown- suggested buying 2 new gazebos for use at races and events. Events we get marquees which are sturdy, issues with storage and getting to races also explored. To be discussed at next committee meeting.

Andy Clapperton – Due to increased costs he is going to switch supplier back to Endura, he is waiting for samples, he has been to the factory and seen the improved quality. Andy also reported that individuals will also be able to order stock directly from the supplier which would mean that the club doesn't need to hold large supplies of stock.
